The Bryon Riesch Paralysis Foundation **Bryon's 5k Run Walk Roll for a Cure** is hosting its 17th Annual event this October. This year we are also celebrating the **25th Anniversary** of our foundation's beginning. In those 25 years we have raised over \$10 Million and served thousands of individuals affected by paralysis through grants and scholarships. That is an incredible amount of impact and progress! We owe a huge amount of gratitude to YOU, our sponsors through the years, for your dedication and support of our journey towards a cure.

For more information on sponsorships, please reach out to Laura Sanders, Director of Development at lsanders@brpf.org.
